

HEUDRIS

Horizon Europe for Drive Sweden

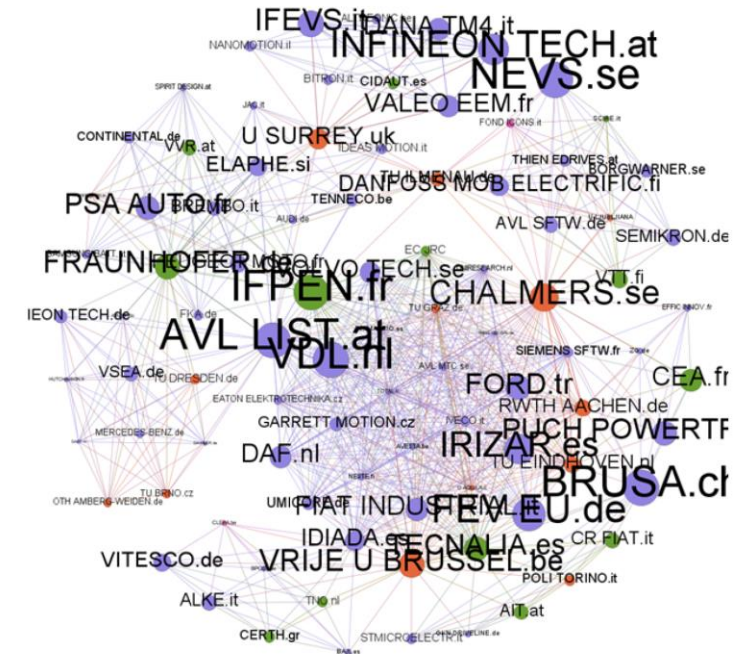

Magnus Granström & Ingrid Skogsmo

Why?

95 Billion EUR

Extensive Network

Why?

The Horizon Europe framework programme sets the scene for the joint research activities in Europe 2021-2027

Several Swedish and DriveSweden actors are well connected, but we can definitely improve

DriveSweden is a suitable platform for Swedish coordination and systematic advocacy work in specific areas

The CCAM partnership is one important platform to maximize the benefit from

EUROPEAN LEADERSHIP IN **SAFE AND SUSTAINABLE** ROAD TRANSPORT THROUGH AUTOMATION

Strengthen
Competitiveness
of European Industries

Increase Safety
in road transport

Reduce negative
impact from road
transport on
environment

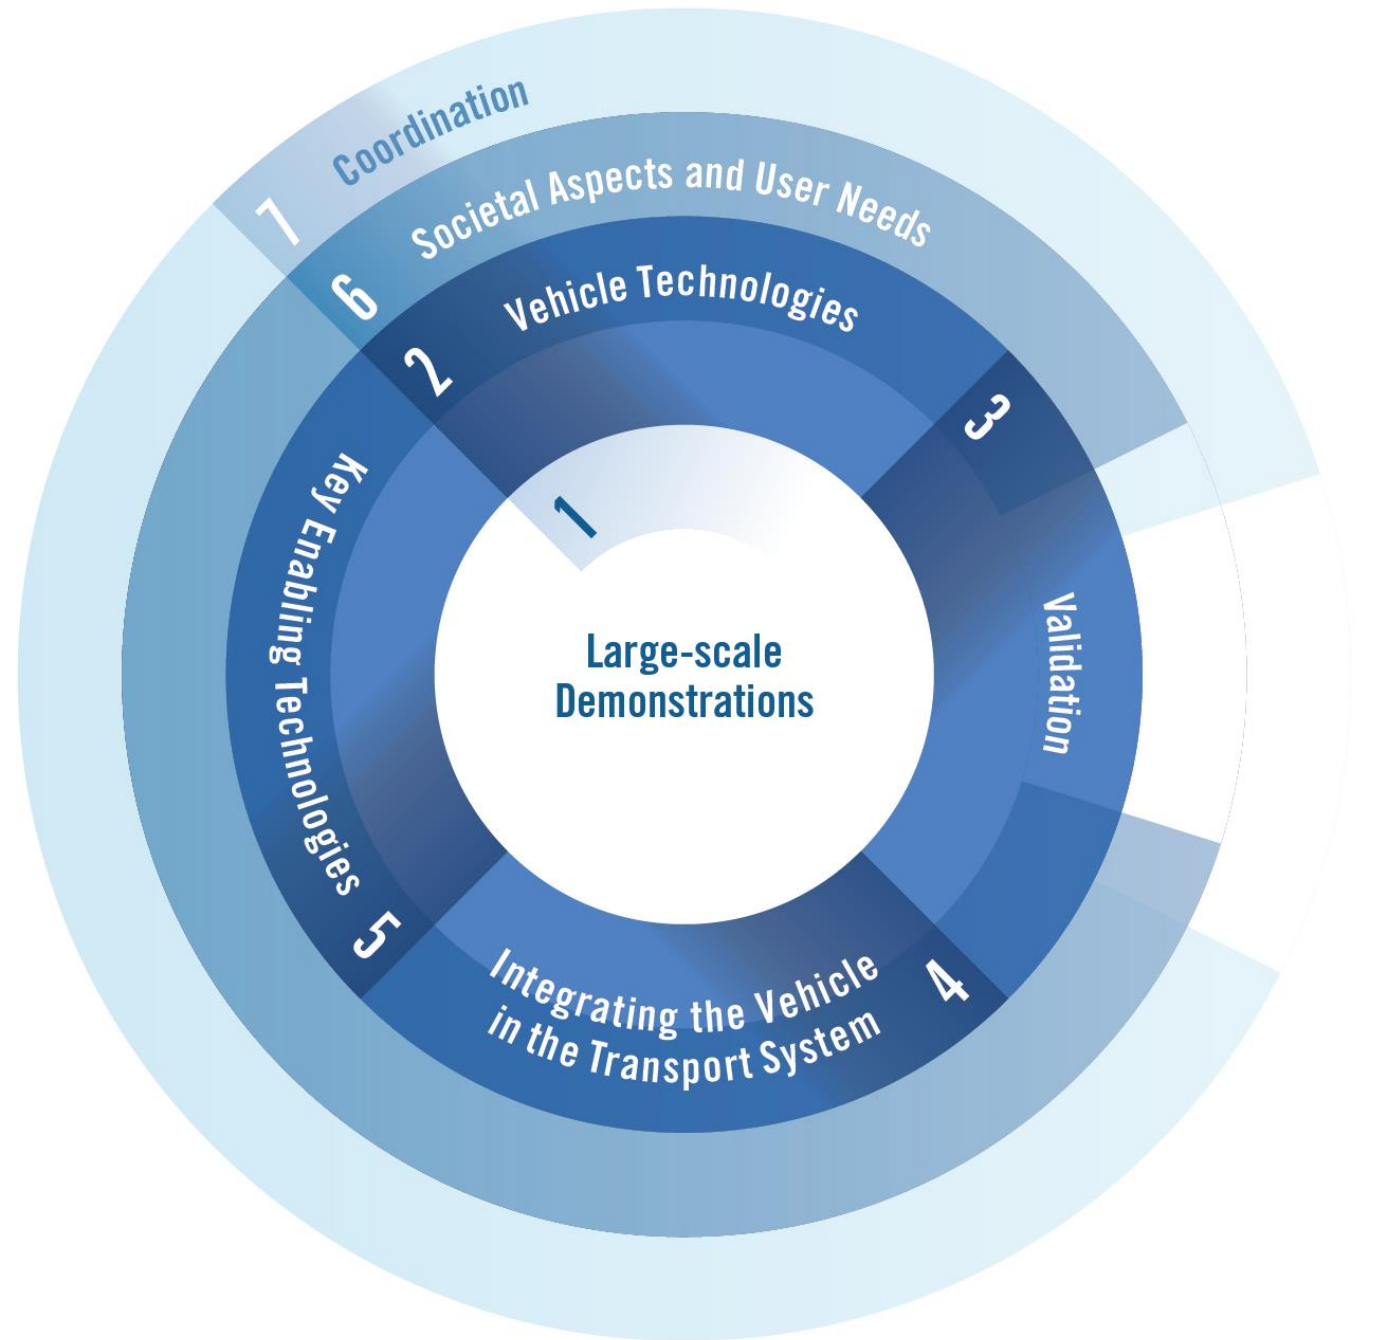

Ensure
inclusive mobility
and good access
for all

> 200 partners

26 Countries

11 Swedish partners

7 Clusters

SRIA

STRATEGIC RESEARCH AND

2021 - 2027

European leadership in safe
and sustainable road
transport through
automation

CCAM
CONNECTED, COOPERATIVE
& AUTOMATED MOBILITY

Co-funded by
the European Union

2023-2024:

**10 topics
106 M€ EU funding**

+1 topic 50 M€

Path

What has been the focus and outcomes of the project?

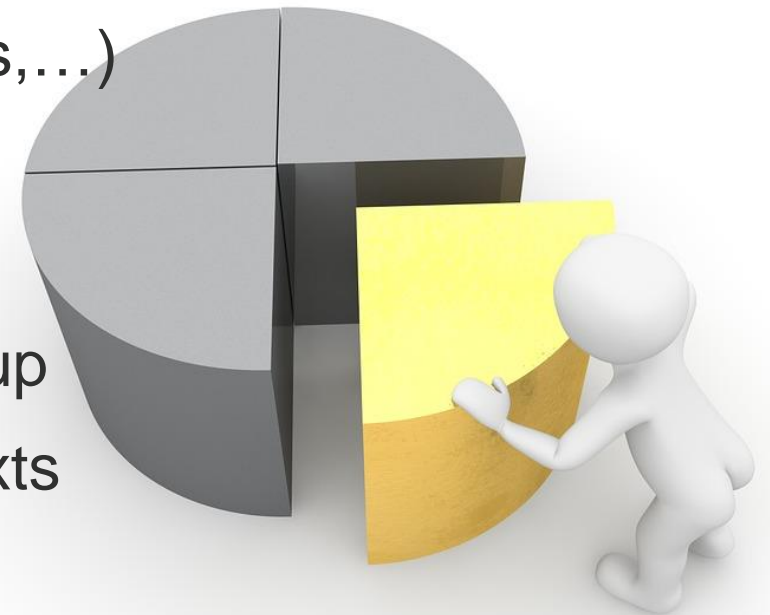

Consolidated contribution to documents shaping EU calls and policy agenda (roadmaps, strategy papers,...)

Active participation in the CCAM partnership
